Newsletter Update:

Over the past several years we have been sending out the monthly newsletter as both e-mail and postal mail.

Given that on occasion, it's difficult to get our details firmed up with enough time to allow postal mail to get the newsletter to you prior to the meeting, receiving the newsletter in both e-mail and postal mail is redundant and there is cost associated with sending the newsletter via postal mail we've made the decision to eliminate the postal mail option. You will now receive your monthly newsletter strictly via e-mail.

We have several retired and former long-term members who've requested to receive a copy of our newsletter. As a courtesy to those, we will continue to send them a newsletter via postal mail.

58th Annual Steak-Fry:

The steak fry was held Wednesday July 13th in the South Park Large Shelter. The Unit provided a Tenderloin steak for each member and guest attending. Those who attended brought a dish to pass.

The weather was warm and very humid, but the large turn-out of members attending had a very good time!

We would like to thank **Chief Smith** for his approval which allowed us to continue this long held tradition.

Unfortunately, due to a communication error, the Chief didn't receive his invitation to attend. He informed me that in the future, he would like to be aware of all of our social functions as he would love to attend them if he is able to. Furthermore, he wanted me to inform each of you that he would have been at our steak-fry if he had known, and that the work each of you do is invaluable to the Department.

From the Scrap Book...

The Ohio Street Civic Association, sponsor of the annual event, had the usually perfect parade weather for the afternoon. It has never rained on the children's parade in its 29 years, members said.

Parade officials counted 1,300 children in the parade which wound down West Fifth Avenue from Knapp Street to Ohio Street and then to South Park. Civil Defense auxiliary police kept the way clear of crowds, estimated at 10,000, which lined the entire route, but were heaviest along Ohio Street. The CD emergency wagon stood by.

Personnel:

We are please to report that two of our former members have recently been hired as full-time members of law enforcement agencies.

Kyle Sorenson-

Kyle was recently hired as the newest member of the Village of Winneconne Police Department. Congratulations Kyle!
Best of Luck as you begin your new career.

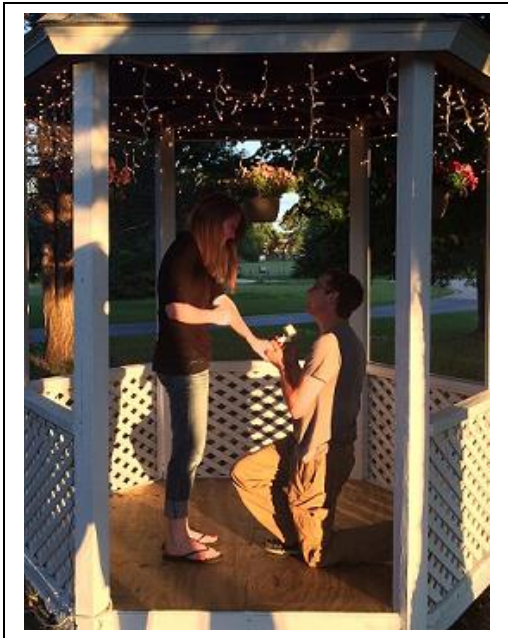

Joey Rebedew-

Joey was part of the 61st Recruit Class for the Wisconsin State Patrol, assigned to Marquette County. Congratulation is extended to Kyle from all of us in the Unit.

Congratulations!!

Alex Williams and **Erica Narveson** announced their engagement on July 1st.

Justin Donaldson submitted his letter of resignation. We'd like to thank Justin for the time he spent volunteering with our Unit, and wish him all-the-best with his future endeavors.

Personnel:

We are happy to announce three new Auxiliary Officers joining our Unit!

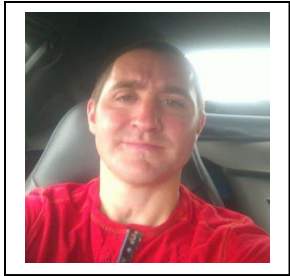

Robert Malliette
Squad B
Badge #44

Bob is retired from Oshkosh Truck and enjoys spending time with his dog and is looking for a way to give back to the community.

Stephanie Stegner

Badge #37

Stephanie is a recent graduate from ITT Technical College with a degree in Criminal Justice. She enjoys spending time with her husband and three children.

Isaac Schultz
Squad C
Badge #32

Isaac is employed driving semi tractor-trailers and just returned from working in the oil fields of North Dakota. He enjoys working on his house.

EAA AirVenture 2016

Oshkosh holds a “Unity Walk” on Friday July 8th as a citywide response to the horrific Dallas shootings.

Chief Smith organized the Friday Unity Walk; he commented, “Last night when I was following the news coverage of what happened in Dallas, it struck me hard”.

“Really it started out with the thought that I’m going to walk down the street, on Main Street and I’m going to talk to the people on the street and let them see the police department”.

"We need to continue to build our relationships and remind our community that we all work together here. This is about community, it's about relationships and it's about just supporting each other”.

Chief Smith said a positive, lasting relationship between the department and citizens it serves is crucial.

"It's not just about today, it's about a week from now and two weeks from now and a month from now and the relationships we continue to build and grow”.

Considering there was only about a three hour notice before the event, hundreds of people turned out to participate in the Unity Walk. The incredible turnout shows the unity this community has with the department.
