USING THE MAP...

Find crime around a point of interest...

-To focus your search for crime around a particular location, you must do two things.

1. Search for an address
2. Focus your search around that address

The screenshot displays the CrimeMapping.com website interface. At the top, the logo reads "CRIMEMAPPING.com Helping You Build a Safer Community". Below the logo is a search bar containing "Oshkosh, WI, USA" and a green "GO" button. A vertical sidebar on the left contains navigation options: FILTERS (highlighted), SUMMARY, WHAT, WHERE (selected), WHEN, REPORT, CHARTS, and PRINT. The main content area is titled "Location Selection" and includes a "Close" button. It prompts the user to "Enter an Address, Feature or Location." and shows the input field containing "420 Jackson St, Oshkosh, WI, 54901, USA". Below this, it asks to "Choose a Search Distance" with a dropdown menu set to "1/2 mile". At the bottom of the filter panel, there are two buttons: a green "APPLY" button and a red "Remove Location Filter" button. The background shows a map of Oshkosh, WI, with a red location pin at the specified address. The bottom of the page contains the text "javascriptvoid(0);".

USING THE MAP...

Find the distance between an address and a crime...

-You may recognize a crime on the map and want to know how far away it is from a certain location.

1. Click on the crime
2. Type the address you wish to measure distance from under "How close am I to this location?"

The screenshot shows a map of Oshkosh, Wisconsin, with several crime markers. A red line connects a crime marker (a green circle with a white dollar sign) to a location marker (a red circle with the number 2). A pop-up window displays the address "420 Jackson St, Oshkosh, Wisconsin, 54901" and states "These points are 1.70 miles apart". Below the address are options to "Remove Line" and a dropdown menu set to "Miles".

On the right side of the map, a crime details panel is visible. It includes a close button, a green circle with a white dollar sign icon, and the text "Theft / Larceny". Below this is the address "1100 BLOCK W SMITH AVE" and the date "1-3-2019 @ 10:24 AM". The panel also has a "Description" section with the text "THEFT-MOVABLE PROPERTY - THEFT - ALL OTHER LARCENY", an "Incident #" section with the value "L-OP-2019-01-03-0000264", and a button for "Oshkosh Police".

At the bottom of the crime details panel, there is a "Related Links" section with a link to "Oshkosh Police Department Web Site". Below this is a section titled "How close am I to this location?" which contains a text input field with the address "420 Jackson St, Oshkosh, WI, 54901, USA" and a green "GO" button. This section is circled in black.

USING THE MAP...

Generate a detailed report based on the visible crimes...

-At any point during your time using the map to find crime, you may click on the Generate Reports tab or the Charts tab on the left hand side to create printer friendly reports and charts.

HOW TO DETERMINE APARTMENT NUMBER

If you own or reside in a residence that includes an apartment number in the address, you will not be notified of the exact apartment number from Crimeview, you will only be notified of the buildings main address.

Example:

The address you're curious in, may be: 123 Abc Street, Apartment 1

What you will receive from Crimeview: 123 Abc Street

You will have to visit the OPD website to look up this information. The steps to finding the apartment number are listed on the following page.

HOW TO DETERMINE APARTMENT NUMBER

1. Go to the Oshkosh Police Department Website – www.oshkoshpd.com
2. Click on “Police Blotter” located in the center of the page, below the main photo.
3. Select the Month/Day that the call you’re looking for **occurred on**.
4. This will pull up a list of calls for service, you will have to locate the address you’re searching for to find the apartment number associated with it.
