D.A.R.E. (Drug Abuse Resistance Education) is a free, officer-led classroom training program that teaches students how to make good decisions about alcohol, tobacco, and other drugs.

D.A.R.E. is made possible by our local law enforcement agencies, with the assistance of business owners and community supporters. ***The most important fact to remember is that D.A.R.E. works and D.A.R.E. saves lives!***

Winneconne is the first middle school in Winnebago County to have the **Keeping it REAL (Refuse, Explain, Avoid, Leave)** curriculum presented to them.
