Subject: Recovered Body

### MEDIA RELEASE

Oshkosh Police Department Detectives have made positive identification on the body of a male recovered from the Fox River today. The name of the person is not being released pending notification and wishes of the family.

Foul play is not suspected, but the matter remains under investigation.

The Oshkosh Police Department will be releasing further information on January 10, 2012 after the notification of family members is made.

The Oshkosh Police Department has no further information to release in regards to the missing person investigation.
