Subject: Preliminary Autopsy Results for Michael Philbin

MEDIA RELEASE

The Oshkosh Police Department, in conjunction with the Winnebago County Coroner's Office, is confirming from preliminary autopsy results the cause of death of Michael Philbin was from fresh water drowning. No other evidence of foul play was discovered during the autopsy.

Toxicology results and other studies will not be available for several weeks.

Oshkosh Police Department Detectives are continuing to investigate a timeline of events leading up to the tragedy.

If anyone has information in regards to this incident, they are highly encouraged to contact Detective Brett Robertson at (920) 236-5723.
