Officers

MEDIA RELEASE

The Oshkosh Police Department is heartbroken by the tragedy that has occurred in Dallas. We stand with our brothers and sisters in Dallas who continue to work professionally to protect the citizens that we serve.

Our community has worked hard to bring law enforcement and our citizens together. It is in difficult times like this that the relationships that we have in our community mean so much to each of us; both in and out of law enforcement.

Please join OPD in both honoring and remembering the officers and families of both the Dallas Police Department as well as the Dallas Area Rapid Transit who suffered tragedy last night.

Dean M. Smith  
Chief of Police  
Oshkosh Police Department
