Washington, D.C.

The National Law Enforcement Officers Memorial is centered in the 400 block of E Street, NW, Washington, DC and is the nation's monument to law enforcement officers who have died in the line of duty. Dedicated on October 15, 1991, the Memorial honors federal, state and local law enforcement officers who have made the ultimate sacrifice for the safety and protection of our nation and its people.

The Memorial features two curving, 304-foot-long blue-gray marble walls. Carved on these walls are the names of more than 21,000 officers who have been killed in the line of duty throughout U.S. history, dating back to the first known death in 1791. Unlike many other memorials in Washington, DC, the National Law Enforcement Officers Memorial is ever-changing; new names of fallen officers are added to the monument each spring, in conjunction with National Police Week.

Bordering the Memorial's beautifully landscaped park are the two tree-lined "pathways of remembrance" where the names of the fallen officers are engraved. Each of the pathway entrances is adorned with a powerful statuary grouping of an adult lion protecting its cubs. Sculpted by Raymond Kaskey, the bronze statues symbolize the protective role of law enforcement officers and convey the strength, courage and valor that are hallmarks of those who serve and protect.

Fallen Oshkosh Police Department Officers Names Inscribed on the Wall:

On Friday, May 11, 2018, Oshkosh Police and Auxiliary Officers joined law enforcement officers and supporters from around Wisconsin for the 28th Annual Wisconsin Law Enforcement Memorial Ceremony, honoring officers killed in the line of duty.

The Wisconsin Law Enforcement Memorial Ceremony was held at noon at the Memorial site located on the Capitol grounds in Madison, WI. The annual ceremony, honoring and remembering Wisconsin law enforcement officers killed in the line of duty, is held in correlation with National Police Week activities.

In 1962, President John F. Kennedy proclaimed May 15 "National Peace Officer's Memorial Day" and National Police Week as the calendar week which encompasses May 15. National Police Week 2018 is May 13 until May 19.

A squad procession involving officers from across Wisconsin left Olin Park at 11:15 AM and arrived at the Wisconsin State Capitol.

During this year's ceremony four names will be officially added to the Memorial, bringing the total amount of Wisconsin law enforcement officers listed on the Memorial to 277.

Personnel Updates:

We received the following Letter of Resignation from Eddie Wick-

To the Oshkosh Police Department Auxiliary Unit,

It is with a lot of happiness to tell you that on 5/21/2018, I was given a final offer as a Full Time Deputy Sheriff with the Manitowoc County Sheriff's Office. My start date is slated for June 6th. Sadly, it comes with the realization that I will have to resign from the OPD Auxiliary and from OPD as a CSO as well.

I can easily say that this unit gave the foundation and the confidence I needed to progress my law enforcement career. I will miss each and every-one of you, but may not miss the late night security shifts I know that all of you are very well aware of and have done yourself. Jokes aside, from the other Police Departments I have had the pleasure of serving with, this is by far the most professional and best Auxiliary Unit I have ever worked with. It is all of your hard work and dedication that makes Wisconsin's Event City run so smoothly.

So, with that being said, I appreciate all the friendships I have made, and will be sure to keep in touch with all of you. Keep being awesome, and "Stay Strong. Stay Safe. Stay Positive." -- Craig Birkholz #67 EOW 3/20/11

Auxiliary #46 is 10-42.

Edward (Eddie) Wick U.S. Air Nat. Guard - Airman 1st Class OPD CSO #254 NPD CSA # 61 OPD APO #46 (920)933-7353

I know I can speak for the entire Unit when I wish Eddie the best of luck as he begins his full-time career in Law Enforcement. Eddie was an exceptional member and a remarkable volunteer serving with us. He now joins our ever-growing list of former members who have moved on to a rewarding career in Public Safety!

Maxine Yang also notified us that she no longer is able to fulfill her obligations as an Oshkosh Auxiliary Police Officer and therefore has resigned her membership with our Unit.

Due to his expanded role, Auxiliary Captain Kevin Schouten has indicated he would like to find someone to takeover leading our Bike Team. After reviewing our membership and having various conversations, we are happy to report that **Matt Kirby** will now take over that responsibility. Matt has certainly earned this opportunity. He is a long term member who has been very active and has displayed the organizational and leadership skills needed for this position. Please join us in congratulating Matt and supporting him in his new role.

Oshkosh Auxiliary Police Meeting Minutes May 9, 2018

Meeting was held in the training room at OPD

Training was table top scenarios presented by Lt. Welch.

Details were presented and officers signed up to work.

Reminder about the Anniversary Dinner on May 19.

Meeting adjourned. Respectfully submitted by Sgt. Mary Knudsen, Secretary

Oshkosh Auxiliary Police Ranking Staff Meeting May 16, 2018

Meeting was held in the Erickson Room at OPD with Deputy Chief Footit, Capt. Youngbauer, Capt. Gutche, Lt. Oestreich, Lt. O'Bright, Lt. Welch, Sgt. Knudsen, Sgt. Winkler present. Chief Suess, Capt. Schroeder, Capt. Schouten and Sgt. Russell were excused.

Personnel concerns were discussed.

Unit picture will be taken at the June meeting so officers need to attend in uniform.

Training squad has the calendar set up with training topics for the remainder of the year. Traffic training and review is required of all officers every 3 years so that will take place at the June meeting.

Electronic signing up for details was discussed. There is a program that could accommodate that activity and keep record of who viewed the sign up part. Signing up for details would be done outside of the meeting time. This would not replace the importance of attending the monthly meetings and training. Accountability for that will be kept. It would/could free up some time at the meetings for more involved training and other activities.

Team building idea was presented for possible meeting activity. It is important for officers to get to know each other to help with interactions when working together as well as for fun.

Speed board assignments will be starting again now that there is a speed board to deploy. OPD Sgt. Harris coordinated with OPD for the use of the large speed board. Sgt. Harris will do the computer programming necessary. Aux. Sgt. Winkler will be in charge of the use of the speed board activities.

Chief Suess will be contacting photographer, Art Eichmann, about doing some work for the unit.

Financial status for the Unit is acceptable.

Radio use discussion indicated the batteries are starting to get to the end of their life so replacement will be needed. CSO's use our radios on occasions as needed so be sure to check the radio you take for proper channel settings. CSO's should be signing the radios out and then back in on the sign up sheet just as we do. If the radio holster is missing. Let Lt. Oestreich know. If you need or want to use an ear piece, contact Lt. Oestreich.

Mentor program was presented and discussed by Deputy Chief Footit. The purpose is to maintain contact with officers, especially new officers, to help with orientation, involvement and continued involvement in the unit. Sqts Knudsen and Russell have been assigned to that program.

Recruiting is of the utmost importance as the number of officers in the Unit is low which puts a strain on fulfilling details and the core group of officers who continue to work to fill the demand. Everyone should be involved with trying to get new members. Capt. Schroeder is the recruiting person and she can't do it all alone. Any help, ideas, contacts, etc. that you can help with will be appreciated. Feel free to contact her.

Meeting adjourned.

Respectfully submitted by Sgt. Mary Knudsen, Secretary
