SEX OFFENDER INFORMATION BULLETIN

AUTHORIZED BY: CHIEF DEAN SMITH

JULY 13, 2022 BULLETIN #: 2022-06

The Oshkosh Police Department is releasing the following information found on the opposite side of this page pursuant to Wisconsin State Statute 301.45 and 301.46 (Act 440), which authorizes law enforcement agencies to inform the public of a sex offenders release when, at the discretion of the agency, the release of information will enhance public safety and protection.

The individual who appears on this notification has been convicted of a sex offense that requires registration with the local law enforcement agencies. Further, his/her previous criminal history places the offender in a classification level which reflects the potential to offend.

This sex offender has served the sentence imposed on him/her by the courts and has advised officials that he/she will be living in the location on the opposite side of this page. **THIS PERSON IS NOT WANTED BY THE POLICE AT THIS TIME.** THIS NOTIFICATION IS NOT INTENDED TO INCREASE FEAR; RATHER, IT IS OUR BELIEF THAT AN INFORMED PUBLIC IS A SAFER PUBLIC.

The Oshkosh Police Department in conjunction with the Winnebago County Sheriff's Office will be having a Community Notification Meeting on July 18th at 5:00PM held at the Oshkosh Police Department (420 Jackson Street Room SB1). The public is invited to attend this meeting. Sex Offender Registration Specialist Heather Dederling will be in attendance to answer your questions. A member from a local counseling service will also be in attendance to present on protective behaviors. It is suggested that children not attend due to content.

Sex offenders have always lived in our communities but it was not until the passage of Act 440 (which mandates sex offender registration) that law enforcement even knew where they were living. In many cases, law enforcement is now able to share that information with you. Citizen abuse of this information to threaten, intimidate or harass registered sex offenders will not be tolerated. Further, such abuse could potentially end law enforcement's ability to do community notifications. We believe the only person who wins if community notification ends is the sex offender, since the sex offenders derive their power through secrecy.

The Oshkosh Police Department is available to help you set up a Neighborhood Watch and to provide you with useful information on personal safety. If you have information regarding

current criminal activity of this or any other sex offender, please call the Oshkosh Police Department at (920) 236-5700. In the case of an emergency, call 911.
