FOR IMMEDIATE RELEASE OSHKOSH POLICE DEPARTMENT

Date: March 26, 2018
Time: 2:09am
Contact: Sgt. Buehler
Phone: 920-236-5700

Subject: On March 26, 2018 at approximately 2:09am Officers from the Oshkosh Police Department investigated an accident in the 600 block of Jackson St. It was determined that a vehicle was southbound on Jackson Street. It left the roadway and struck an electrical utility pole and a house. The result of this accident caused a power outage on the north side of the city.

Wisconsin Public Service responded to the scene and was able to restore power to most of the affected areas. At this time there is a small area north of Church Avenue, south of West New York Avenue and between Division Street and Jackson Street that is still without power. Wisconsin Public Service crews are on scene and working to restore power.

There will be a road closure as well that is limited to the 600 block of Jackson Street where both north and south bound lanes of traffic will be closed.

Officers at this time are questioning a 16 year old male about the accident. Alcohol does not appear to be a factor. There were no injuries to the operator or any citizens.

If you have information about this incident, but wish to remain anonymous, please contact the Winnebago County Crime Stoppers at (920) 231-8477; or add the free P3 App to your Apple or Android phone and add a tip; or go to www.winnebago crimestoppers.org to submit a text tip. If your tip leads to an arrest, you may be eligible for a cash reward.
