Subject: Skimming Device Found, 834 N Main St

The Oshkosh Police Department is investigating a suspicious situation in which a possible “skimming device” has been located. This was located at the Main Street Citgo gas station at 834 N Main Street. The business owner’s policy is to notify the police when this type of device is found so the public can be made aware of the potential breach of financial information.

At this time we have not identified any victims from this device. If you have purchased gas at pump #3 at this location, please review your credit/debit card statements. The specific time frame that this skimming device may have been placed inside of the pump is unknown and our investigation is ongoing.

If you have any information regarding this incident please contact the Oshkosh Police Department at 920-236-5700.

If you have information about this incident, but wish to remain anonymous, please contact the Winnebago County Crime Stoppers at (920) 231-8477; or add the free P3 App to your Apple or Android phone and add a tip; or go to [www.winnebagocrimestoppers.org](http://www.winnebagocrimestoppers.org). If your tip leads to an arrest, you may be eligible for a cash reward.
