Subject: UPDATE: Fatal Accident in 1300 Block W South Park

The Oshkosh Police Department is continuing to investigate the fatal vehicle accident that occurred in the 1300 block of W. South Park Ave.

At 2:10 PM on 05/03/2018, the Oshkosh Fire Department and officers from the Oshkosh Police Department responded to a report of a four year old child that had been struck by a vehicle while riding her bike in the 1300 block of W. South Park Ave. The child was transported to a local hospital where she was pronounced dead.

**UPDATE:**

The Oshkosh Police Department continues to investigate this accident.

The driver of the vehicle that struck the child has been fully cooperative with the Oshkosh Police Department and voluntarily submitted a blood sample to officers. We are currently awaiting the toxicology results. We anticipate that the toxicology results will take several months.

Preliminary investigation indicates that this accident doesn't appear to be criminal in nature and there is no indication that alcohol or drugs were a factor. At the conclusion of this investigation, the case will be submitted to the Winnebago County's District Attorney's Office for their review.

Our hearts go out to all that have been affected by this tragic accident.
