Subject: Dark Sky Training Scenario

The National Guard is coordinating a full scale training exercise on Tuesday May 14th and Wednesday May 15th. The scenario is based on a cyber-attack on the power grid thus causing a long-term power outage. The Oshkosh Police Department will have very limited involvement in this.

On Tuesday and Wednesday, the Red Cross will have a 24 hour shelter at Sunnyview Expo Center in Oshkosh. On Wednesday, the National Guard will be in Omro.

For more information about this training, please see the attached Media Release from the Wisconsin National Guard.
