Subject: VNU Special Detail

On 09/13/2023 the Oshkosh Police Department's Vice and Narcotics Unit along with Detectives and Patrol Officers, conducted an undercover prostitution investigation on the North side of Oshkosh. During the course of the investigation officers arrested 10 adult males.

These ten males, ranging in age from 27-53 years old, were arrested for Pandering. Nine of these males were from the Fox Valley Area and one was from Beaver Dam. The Oshkosh Police Department works diligently to investigate crimes of this nature.

Human Trafficking awareness is vitally important. Some signs/things that may be associated with Human Trafficking involving a business are: long working hours, proximity of residence to business, lack of personal belongings in the home, large amounts of cash and only male customers. For a variety of reasons, it can be very hard for Human Trafficking victims to get out of these situations. We partner with local non-profit organizations so that resources can be quickly provided to victims. The Oshkosh Police Department strives to reduce the number of victims by doing proactive investigations and being vigilant in our efforts to combat Human Trafficking.
