Subject: Hyundai and Kia Vehicles

(Oshkosh, WI) January 24, 2024: The Oshkosh Police Department is currently investigating several damage to vehicle complaints and auto thefts involving Hyundai and Kia vehicles which occurred in the City of Oshkosh.

The Oshkosh Police Department is continuing to investigate these incidents. We want to encourage owners to park vehicles in well-lit areas, in areas under video surveillance or in locked garages when possible. Please remember to lock car doors and keep your vehicle keys with you at all times. There are also several products on the market that help add an extra layer of security: steering wheel lock with brake lock, club steering wheel lock, tire lock, GPS tracker for vehicle and a key fob case (anti-hacking).

Owners of Hyundai and Kia vehicles can contact Hyundai (800-633-5151) or Kia (800-333-4542) to see if their vehicle qualifies for theft deterrent software or the steering wheel lock.

If anyone has information regarding this incident, they are encouraged to contact the Oshkosh Police Department at 920-236-5700. If you have information about this incident, but wish to remain anonymous, please contact the Winnebago County Crime Stoppers at (920) 231-8477; or through the P3 App.
