Subject: OPD Investigated a Potential Threat

OSHKOSH, WI (January 30, 2024): The Oshkosh Police Department investigated a potential threat against a house of worship located in the 1100 Block of Algoma Blvd in the City of Oshkosh.

Yesterday at approximately 6:45 PM, Officers from the Oshkosh Police Department were notified that a religious leader received a phone call from a female who threatened to bomb their building. We were advised she said "I'm going to blow up your church in 3 hours."

Detectives immediately began investigating this incident. Out of extreme caution, the house of worship was searched and several nearby homes were evacuated. The threat was determined to not be credible.

Officers ultimately located the 65 year old female responsible for this threat and took her into custody for Wisconsin Statute 947.015 Bomb Scares.
