OSHKOSH, WI (March 11, 2024): The Oshkosh Police Department is conducting a training exercise occurring on 03/12/2024 at 8:00 AM at the Evergreen Retirement Community (1130 N Westfield Street in the City of Oshkosh).

This training exercise has been planned in cooperation with the Evergreen Retirement Community; they will have staff involved in the exercise. Residents and resident families are aware of the training exercise as well.

The training exercise will be held mostly indoors, however, police personnel will be moving around the outside of the building and in parking lots adjacent to the main building of the Evergreen Retirement Community.

Law Enforcement personnel and signs will be posted in the areas affected by the exercise. Pedestrian traffic adjacent to the Evergreen Retirement Community should remain alert and follow the direction of Auxiliary Police personnel during the exercise. People who are not directly involved in the exercise should avoid entering the training area.

People in the area may hear loud noises and will notice an increased presence of law enforcement personnel and vehicles. There is no reason for alarm. This type of emergency training exercise is crucial in preparing for emergency situations—and helps ultimately make our community a safer place.
